A collage of various interior design items. On the left, a vertical strip shows a close-up of a herringbone pattern made of light-colored, distressed wood planks. Below this, a white wicker chair with a fan-like backrest is visible. In the center, there is a long, low, white upholstered bench with a dark base. To the right of the bench is a dining table with a thick wooden top and thin, white, hairpin-style legs. Two matching wooden-topped stools with white metal frames are positioned under the table. Above the bench, two white, cage-like pendant lights hang. To the right of the dining table is a square, light-colored cushion. Below the dining table, there are two small, round, white-topped coffee tables with light wood legs. In the bottom center, a long, rectangular, light brown rug is laid out. To the right of the rug is a white, tufted sofa with dark legs. In front of the sofa are two round, woven ottomans with a light-colored, textured pattern. To the right of the ottomans is a white, folding side table with a woven top.
